2015 LEGISLATIVE SESSION RECAP IN THE METRO AREA

On July 18th, 2015, the Council on Asian Pacific Minnesotans (the Council) will host its first 2015 Legislative Session Recap for Asian Pacific Minnesotans residing in the Metro Area. The event will take place from 8:30 am to 11:00am at the Humanities Center on the Eastside of Saint Paul.

These Legislative Session Recaps are organized by the Council to inform Asian Pacific Minnesotans about key policies passed during the 2015 Legislative Session, and to connect community members with legislators. Key legislators from the Metro Area are invited to speak to what they consider are the most significant outcomes of the 2015 legislative session, including the bills passed from the brief special session. The Council believes dialogue between community members and legislators foster stronger relationships and accountability in the legislative process.

At these Session Recaps, the Council will also report on the successes of its community-driven legislative agenda, including the two bills the Council supported on the issue of gender-based violence in the Asian Pacific Minnesotan community.

The Council encourages community members, leaders, activists, organizers, and anyone who works with the Asian Pacific Minnesotan population to attend.

The Council will host additional recaps in communities around Minnesota in the coming months.
